

A NOTE FROM THE EXECUTIVE DIRECTOR

Dear Residents,

As we approach the summer months, I would like to give you an update on changes that have occurred throughout our properties.

The security company for the YHC has switched from Broadmoor Security to Great Lakes Security. Great Lakes will be enforcing parking policies and patrolling at night, including towing vehicles when necessary. If you haven't already, please make sure to get an updated resident parking permit from your property management office. The Great Lakes dispatch line is available to all residents to report suspicious activity, noise complaints, loitering, or other criminal activity. However, please do not hesitate to call 911 if you feel unsafe and need an immediate response from the police.

Great Lakes Security Dispatch:

(844) 475-2537

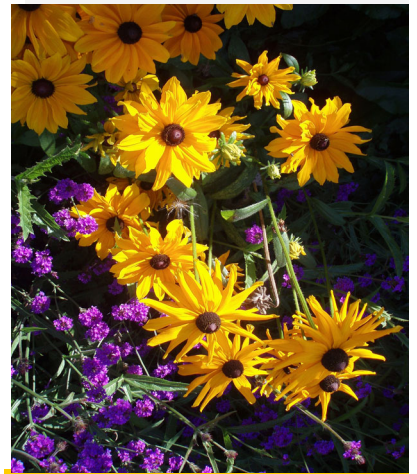

I want you to know that the YHC administration, board, and property management share your concerns about community safety and want more than anything for you to feel safe in your homes. I want to thank you for your voice. Please know that it does not fall on deaf ears. We continue to make progress to ensure that our communities are safe for all our residents. I appreciate your suggestions and am always open to them.

Sincerely,

Zac Fosler, Executive Director & CEO
